

## Who We Are

Flex IT is your preferred partner for circular IT services. We specialize in IT distribution for DaaS, Renew, Refurbished & EOL products, and also offer IT disposal.

## What We Offer

A variety of **circular business solutions** tailored to bring our partners a variety of sustainable options for their choice of IT hardware.

### Distribution

**Purchase IT hardware**  
We offer a wide combination of new and circular products ready to be shipped.

### Rent

**Rent IT hardware**  
We deliver any device from our own stock quickly, wherever desired.

### ITAD (Buyback)

**Dispose IT hardware**  
We collect used IT devices and prevent it from becoming e-waste.

### Lease

**Long-term & stable IT proposals**  
We propose easily scalable, cost-effective solutions for any need.

### Demo & Services

**Demo our products**  
We might have what is right for your business.
